

County of Santa Barbara  
**Cannabis Storefront Retail: Selection Process**

**A12 – Local Supply Chain Support**

Please provide a detailed plan that demonstrates the applicant’s ability to source a significant volume of products from the unincorporated and incorporated areas of Santa Barbara County. **The County's definition of Supply Chain Support is: all components of the supply chain, i.e. nursery operations, cultivators, distributors, manufacturing, testing. The supply chain begins with cannabis seeds, ends with the final sale to the consumer, and encompasses all steps in between.**
